PHOTO FUN FOR EVERYONE Tap into your creativity on the go with Photoshop Express—a fun, fast, and easy picture editor for one-touch transformations and photo edits—used by millions of creative individuals. Make pro-looking images with an easy-to-use digital studio on your mobile device. Photoshop Express delivers a full spectrum of tools and effects at your fingertips. Personalize your experiences with sticker makers, enhance color gradients and imagery, create pic collages, generate memes, make quick fixes and heighten your share-worthy moments. PERSPECTIVE CORRECTION Instantly fix crooked images and correct distorted camera angles. REMOVE NOISE Smooth graininess, reduce color noise, and sharpen details to make your photos look their best. APPLY BLUR Use radial blur to blend out backgrounds and shift focus to specific subjects or full blur to create movement. PERSONALIZE WITH STYLE Customize images with the sticker maker, create memes and captions, style your text with a wide array of fonts and layouts, add borders and frames, and stamp creations with custom watermarks. CHOOSE FROM HUNDREDS OF LOOKS, EFFECTS AND FILTERS FOR PICTURES Dehaze pictures to remove fog in a scene, apply dramatic filters for pictures, and easily slide to adjust color temperature, vibrance and other color effects. ASSEMBLE STUNNING PIC COLLAGES Create professional-quality compilations by adding ready-to-use photo grid layouts and modifying borders and colors. SPOT HEALING Easily reduce blemishes and spots from selfies and portraits. QUICK FIXES Automatically adjust contrast, exposure and more with one-touch adjustments; easily crop, straighten, rotate for eye-catching layouts, and magically remove red-eye and pet-eye from your favorite moments. QUALITY PHOTO IMPORT AND SHARING Upload images from multiple sources and formats (including raw and TIFF), posting your favorites directly to Facebook, Instagram, Twitter, Flickr and other social platforms or share them in email, WhatsApp, Facebook Messenger, Telegram, Signal, and Line to inspire others. Make photo magic happen with the Photoshop Express picture editor from Adobe - proud makers of the Photoshop family. Create fun, shareable memes, personalized pic collages and stickers. Multifunctional content allows you to use all the advantages of the original version. This utility can be called one of the best mobile versions, along with PhotoDirector. Apply a lot of filters, eliminate flaws in photos and set unique settings. There is absolutely everything that is required to give your work style and taste.Characteristic:simple use and training;advanced filter sets and settings;fast content editing. Adobe (FREE)1/3Photoshop Touch is similar to the desktop version but optimized for the smaller screens of mobile devices. This redesigned version gives you many of the same tools and options as its desktop counterpart. Optimized for the small screen If you're familiar with the Adobe Photoshop desktop application, learning and working with Touch will be an easy transition. You can separate layers of an image and use adjustment tools to combine images in interesting new ways. You can use the integrated camera to fill an area with the exclusive Camera Fill tool. Use familiar features from the editing app for the smaller format. Social media ready Adobe Photoshop Touch makes sharing your work on Social media like Facebook, Twitter, or other registered apps very simple. Locate images using Google image search, and incorporate them into your work. Edit powerfully and save securely Photoshop Touch for Android supports a maximum of 12 megapixels for images, which gives you plenty of space to create unique images. New features such as smoother brush strokes, Lens Flare, and Stamp Pattern are available. A new shortcut gives you quick access to the last five colours used. Upload to the Adobe Creative Cloud for backup and security. Editing on the go This programme has many of the same great features as the original version, but the interface was made with mobile device screens in mind. Create beautiful images and share them on social media effortlessly.Title:Photoshop Touch 1.3.7.8 for AndroidRequirements:Android 4.3,Android 4.1,Android 4.1.2,Android 4.2.1,Android 4.2,Android 4.2.2,Android 4.0,Android 4.1.1Language:EnglishLicense:FreeDate added:Tuesday, December 17th 2019Author:Adobe aca6fcc4b45fb9b43baa00027dd59be4b16da27Download options:APK, Google PlayFilename:photoshoptouchforphone.apkWe don't have any change log information yet for version 1.3.7.8 of Photoshop Touch.
